SUBJECT: Common Core State Standards for Mathematics Webinar

INFORMATION TO SHARE

The Northwest Regional Comprehensive Center and Education Northwest will be providing a webinar entitled “A Closer Look at the Common Core State Standards for Mathematics,” which will take place on Monday, December 13, 2010, from 2:00 - 3:30 p.m. MST. The webinar can be accessed by registering at: <http://nwrcc.educationnorthwest.org/event/439> by Wednesday, December 8.

Questions that will be addressed in this webinar include:

- What are the progressions within the Common Core State Standards for Mathematics and how do they connect key concepts for students across the grades?
- What is the relationship between the Standards for Mathematical Practice and the Standards for Mathematical Content?
- How can educators use the Common Core State Standards for Mathematics to improve mathematics teaching and learning?

Please contact Bernie Schnorenberg at bschno@educ.state.wy.us or at 307-721-1948, for further information.
